### A PROCLAMATION

L. A. Williams  
Attorney General

WHEREAS The Alzheimer Support Association of B.C. feels that public awareness of Alzheimer's Disease would greatly assist their aims of promoting an understanding of the size and nature of this problem:

And whereas Alzheimer's Disease (Senile Dementia) affects one in five people beyond the age of 65 years:

And whereas recent evidence suggests that the vast majority of cases may be a preventable and treatable disorder, the elimination of which would transform the lives of an aging population around the world:

And whereas there is no known cure for this disorder and intensified research is essential, such research needing the support of an informed society:

And whereas Our Lieutenant Governor, by and with the advice and consent of the Executive Council, has been pleased to direct by Order in Council in that behalf, that a Proclamation be issued designating Wednesday, November 24, 1982, as Alzheimer's Awareness Day in the Province of British Columbia:

Now know ye that We do by these presents proclaim and declare that a Proclamation be issued designating Wednesday, November 24, 1982, as Alzheimer's Awareness Day in the Province of British Columbia.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our Province to be hereunto affixed.

Witness, the Honourable Henry P. Bell-Irving, Lieutenant Governor of Our Province of British Columbia, in Our City of Victoria, in Our Province, this fourth day of November in the year of our Lord one thousand nine hundred and eighty-two, and in the thirty-first year of Our Reign.

By Command.

J. R. CHABOT

### MINISTRY OF ENERGY, MINES AND PETROLEUM RESOURCES

#### PUBLIC NOTICE

Competition for the Right to Explore and Develop Crown Petroleum and Natural Gas Resources

TAKE NOTICE that, pursuant to section 88 of the *Petroleum and Natural Gas Act*, sealed tenders addressed to the Minister of Energy, Mines and Petroleum Resources, and mailed or delivered to the office of the Deputy Minister of Energy, Mines and Petroleum Resources, Room 406 Douglas Building, 617 Government Street, Victoria, B.C., will be received up to 12 noon, Wednesday, February 16, 1983, for the privilege of obtaining permits covering petroleum and natural gas rights as outlined in this notice. The results will be announced at 11 a.m., Wednesday, March 16, 1983. The permits will be issued as of March 16, 1983, and will be awarded on the basis of what is, in the Minister's opinion, the best work program. Work is defined as geological or geophysical exploration and drilling.

The work program proposed should be described in sufficient detail so as to clearly define the type and extent of the work commitment including an estimate of the cost broken down by type of work and the period of time when the work will be done.

Tenders may be submitted on the basis of the entire area or portions thereof, providing parcels are not subdivided and parcels grouped in a bid are contiguous. Any priorities must be clearly identified.

The Minister may wish to contact any bidder for clarification purposes prior to determining the successful bid for any parcel.

A performance deposit equal to the accepted work tender for each parcel or group of parcels shall be provided by 12 noon, Tuesday, March 22, 1983. Failure to provide the deposit will invalidate the tender.

The following are acceptable by the Minister of Finance as performance deposits in addition to British Columbia Parity Development Bonds:

- (1) Cash.
- (2) Government of Canada and Provincial direct or guaranteed securities having maturity of not longer than 3 years (Canada Savings Bonds are not acceptable).
- (3) Chartered banks', trust companies' or credit unions' certificates of deposit where supported by an appropriate letter giving direction concerning payment of funds to the Minister of Finance.

The work obligation represented by the deposit will be reduced annually to the basis of the approval of an affidavit of expenditure and supporting exhibits as detailed in section 52 (3) (a) and (b) of the *Petroleum and Natural Gas Act*.

Work expenditure in each year must be at least the amount required by section 4 of B.C. Reg. 378/82.
